## Summer Internships

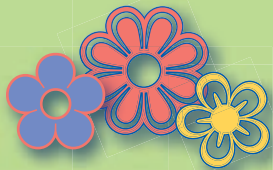

ALL OF THE DETAILS IN COLUMN ONE PLUS:

The option of paid employment is open to those who wish to commit to at least six weeks of service during summer break.

The paid experience is also possible at other times of the year for those able to make at least a six week commitment.

If you choose this option, you will be required to undergo a background check and pre-employment screenings, according to the requirements of the home where you will serve.

For summer internships we try to send at least two young women to each location to foster a positive community experience.

## Alternative Break Experiences

Alternative break experiences usually last 1-2 weeks. Schedule your stay according to the dates of your school break.

You will volunteer in the direct service of the elderly, according to the needs of the home and your interests.

You will be encouraged to participate in our prayer life and in a variety of activities in the home, sharing fully in the life of our LSP family.

You are responsible for your travel arrangements. We will provide transportation from the nearest airport or station to the home.

Room and board will be provided during your stay.

You must have some form of health insurance.

## Locations

We have homes for the elderly in 27 locations across the United States. Unpaid overseas placements are also possible.

A list of available locations and positions will be sent to you with the application.

## Application Deadline

Applications for alternative break experiences are accepted at any time during the year. Applications for summer internships must be received by April 1, with notification of placements as soon as possible after that.
